Height: 15 feet

Spread: 10 feet

Sunlight: ○ ◐ ●

Hardiness Zone: 3

Description:

A beautiful long-season bloomer featuring cones of mixed sterile and fertile white flowers in mid to late summer which fade to a deep pink; a strong and dense, small tree form that makes an incredible landscape accent

Ornamental Features

Pinky Winky Hydrangea (tree form) features bold conical white flowers at the ends of the branches from mid summer to late fall. The flowers are excellent for cutting. It has green deciduous foliage. The pointy leaves do not develop any appreciable fall color.

Landscape Attributes

Pinky Winky Hydrangea (tree form) is a deciduous shrub, selected and trained to grow in a small tree-like form with the primary plant grafted high atop a standard. Its relatively coarse texture can be used to stand it apart from other landscape plants with finer foliage.

This shrub will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. It has no significant negative characteristics.

Pinky Winky Hydrangea (tree form) is recommended for the following landscape applications;

- Accent
- General Garden Use

Planting & Growing

Pinky Winky Hydrangea (tree form) will grow to be about 15 feet tall at maturity, with a spread of 10 feet. It tends to be a little leggy, with a typical clearance of 4 feet from the ground, and is suitable for planting under power lines. It grows at a medium rate, and under ideal conditions can be expected to live for 40 years or more.

Longfellow's Greenhouses

This shrub performs well in both full sun and full shade. It prefers to grow in average to moist conditions, and shouldn't be allowed to dry out. It is not particular as to soil type or pH. It is highly tolerant of urban pollution and will even thrive in inner city environments. Consider applying a thick mulch around the root zone in winter to protect it in exposed locations or colder microclimates. This is a selected variety of a species not originally from North America.
